THE EXPERIENCE SPEAKS FOR ITSELF

**MULTIFAMILY**

Multiple Styles. Multiple Finishes.

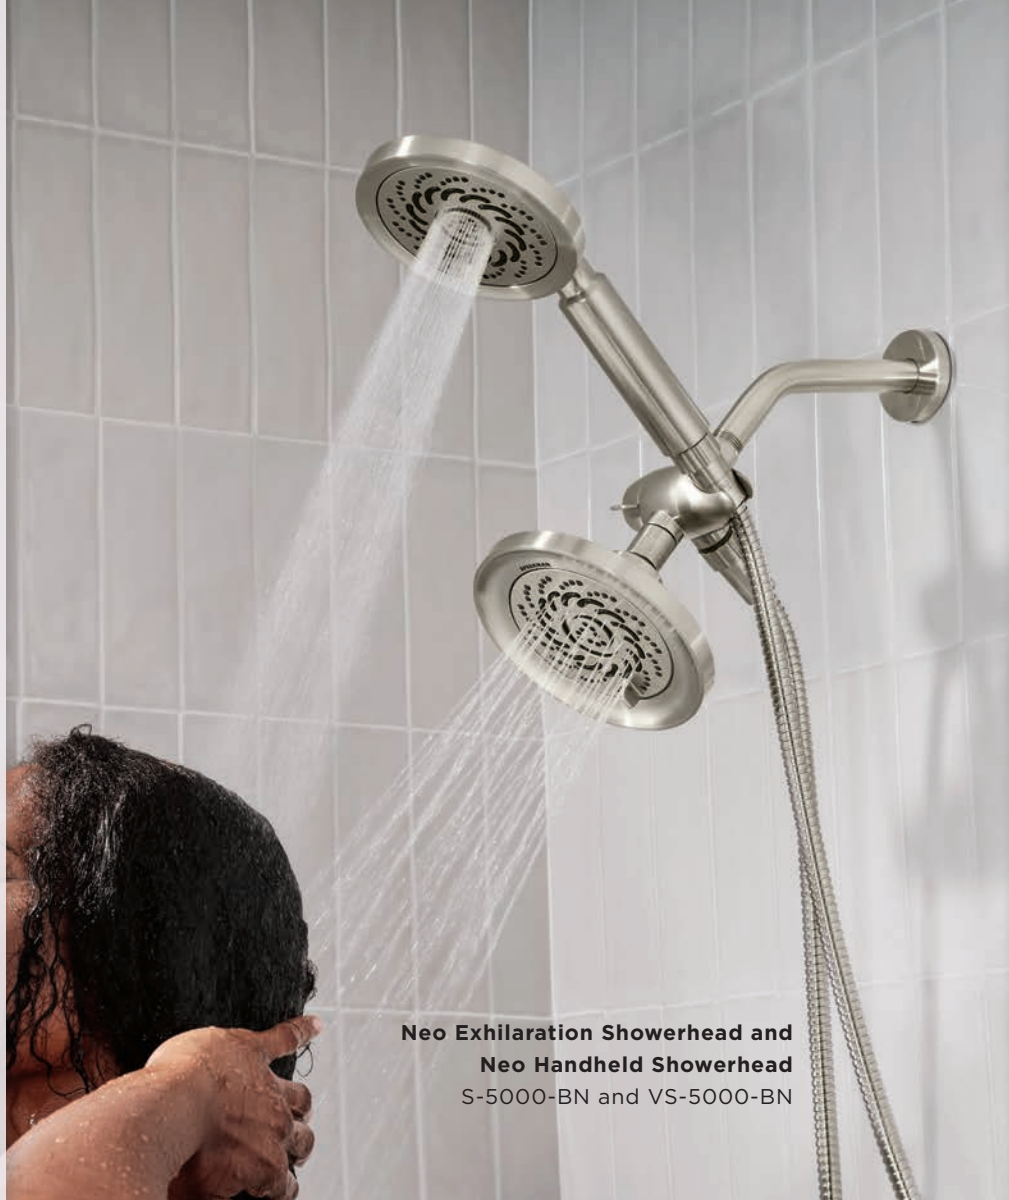

One Exceptional Experience.

At Speakman, the experience speaks for itself.

That means you'll not only enjoy flawlessly designed, high-quality plumbing products, but also best-in-class service from our dedicated team - from the moment we meet until well after your project is complete.

It's our way of putting 150 years of plumbing experience to work for you.

## Saving with Speakman

In business, it's really all about the bottom line. That's why Speakman has a range of solutions designed to save property owners money - and a few other things:

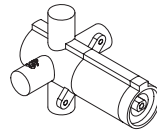

- Save time by updating the look of your bathroom without opening the wall when you purchase one of our Universal Valve Trim Bundles.
- Save water with our low-flow showerhead options, which are engineered with a specialty spray that still gives you that amazing shower feeling, all while using less water.
- Save packaging when you purchase products through one of our SLV bundles, which ships everything your project needs in one handy box.

## DON'T LET THE VALVE STOP YOU.

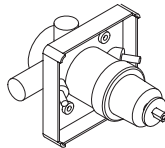

Compatible with:

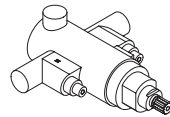

KOHLER® Rite-Temp®

MOEN® Posi-Temp®

DELTA® MultiChoice®

SYMMONS® Temptrol®

PFISTER® Valve

## **Speakman Bathroom Collections**

Even from the beginning, Speakman was making a splash in the plumbing industry. We debuted the world's first adjustable showerhead - but we didn't stop there. We've earned more than 100 industry patents with our new designs and ongoing push for innovation.

Today, we are proud to offer a full plumbing package that includes toilets, lavatory sinks and accessories. Each collection has been strategically designed to provide a complete product portfolio made up of faucets and showering systems in multiple styles and finishes, so that you'll always have a look that suits your room perfectly.

## Expanding the Speakman Experience

As more people work from home, there is an increased demand for socialization but still a sustained focus on health and wellness. That means amenity spaces in multifamily housing developments are more important than ever.

Take Speakman throughout the building when you tap into our commercial product line, featuring sensor soap dispensers, flushometers, sensor faucets and more. We'll be there to keep your families stylishly safe and comfortable, whether they're in the gym, laundry room, lobby restroom or common gathering area.

## Creating a Collection

Complement your Speakman kitchen or bathroom faucet with our complete line of fixtures, including drains, sinks and garbage disposals to fully meet your kitchen plumbing needs.

## About Speakman: More than 100 years of experience

The Speakman brand has been a staple in homes, hotels and commercial settings for more than 150 years. Since the beginning, we have worked closely with building professionals to develop beautiful spaces that align with their vision, timeline and budget. That's how we use our experience to deliver an exceptional experience.

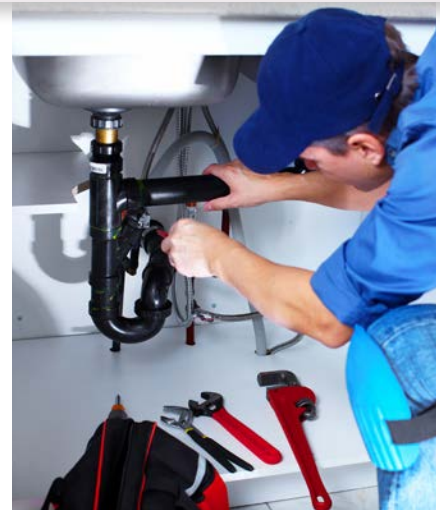

## Avoid Plumbing Problems with Wolverine Brass Essentials

Overflowing toilets, broken showerheads and busted sink pipes are a maintenance nightmare!

That's why Speakman's sister company, Wolverine Brass, offers more than 4,000 SKUs of essentials to keep your kitchens, bathrooms and other plumbing fixtures running well.

We work directly with your maintenance department to stay properly stocked and prepared for the kinds of quick repairs that reduce maintenance requests and keep your tenants satisfied.
